pursuance of a representation made to the
Court by this Office that the same is endowed

To.

The Dewan of Mysore.

The humble petitioner Srinivas
great-grandson of the late Anche Bakshi,
Thappiah, Jachagindar of Doodabommanahalli,
Ar Kelgud Taluk, living at present in
Chilkunda, Hunsur Taluk, most respect-
fully begs leave to submit the following
to the gracious and favourable consideration
of the benign Government of Mysore

1. That the humble petitioner was
granted a loan of Rs. 6,336 by the Govt.
of Mysore on the condition that the
Jachagiri owned by the petitioner should be
mortgaged to the Government for the
amount and left in their management
till the debt was liquidated.

2. That accordingly proceedings
were passed by the Government stating that
the income of the Jachagiri thus mortgaged to
them should be applied annually towards the
principal and of course deducting from it the
stipulated interest on the principal.

3. That it is sixteen long years that
the property was mortgaged to Government
and at the time of its transfer to the manage-
ment of Govt. the debt was expected to be
liquidated in the course of a few years.

4. That the present state of affairs
of the village, vide records enclosed, obviously
indicates that the petitioner is destined to
remain a debtor for many years to come.

5. That the above is due to, the humble petitioner regrets to state, the want of interest on the part of the Taluk authorities in whose immediate charge the village is placed.
6. That the humble petitioner is at present at a loss to know anything about the annual income and expenditure of the village, what part of the debt is liquidated and what remains yet due, as he is not furnished with a copy of the accounts of the village rendered by the Taluk authorities annually.
7. That the petitioner is therefore put to much inconvenience and pecuniary loss and is afraid that the village would soon pass out of his hands and anticipates that the state of things prevailing now in the pahalgi paves the way for his ruin.
8. That this want of interest on the part of Taluk authorities was due to the fact that the petitioner appealed against their proceedings in the matter of sale of a jodi land in the village against the provisions of Land Revenue Code and got the sale quashed on the ground of grave irregularities.
9. That this act of the petitioner has given rise to some feelings to the local authorities who are grown indifferent, if not quite adverse, to the interests of the petitioner.
10. That the humble petitioner in conclusion begs that to remedy the evils now pointed out, of course not without reason, the village may be retransferred to the management of the humble petitioner, who will most gladly render proper account of the

Annual income of the pahalgar to the Govt., and remit the yield of the Village to Govt. Treasury to be applied to interest and principal as agreed to by him under the conditions of the bond.

In this connection the humble petitioner requests that the arrangements may thus be placed in the hands of the petitioner who may be held responsible to the Deputy Commissioner directly, and not through the Agency of the Taluk authorities who for reasons herein above stated are not favourably inclined towards the petitioner.

11. For which act of kindness and Charity, the humble petitioner ever begs

1. 27-2-08
 2. 15-5-08
 3. 19-6-08
 4. 30-10-08
 5. 18-12-08
 6. 2-7-09
- to remain grateful. That the petitioner's marginally noted representations to the Govt. yet remain pending decision and the longer this matter is held in this state the greater will be the loss sustained by the petitioner.

12. That the petitioner therefore prays that his prayer may be granted entirely or necessary order be issued to the Deputy Commissioner on the subject.

I beg to Remain Sir,
Your most humble petitioner.
